This will be our last Connection Group gathering until the first Wednesday in October! For the first two Wednesdays in September we will be meeting at the church for Q&A sessions with our Pastor, the third Wednesday will be our Chili Fellowship, and the last Wednesday will be our Night of Worship.

For the last two weeks we have covered the book of Ruth. Similar to all other stories included in the Word there is so much to learn from Ruth.

**What is something you know about Ruth that you may or may not have known prior to covering it in Connection Groups?**

**Is there anything from this study that you are able to apply to your life?**

Tonight we are going to continue our series on covering stories/people from the Word that are generally covered in a Sunday School type setting. Just as a reminder...if you are curious about a certain topic, person, or story from the Bible please let your group leader know so we can possibly cover it in the future!

### **What do you know about Noah?**

This is by far one of the most told stories in the Bible. Most people know the major bullet points of this story even if they don't consider themselves a follower of Christ. But, there is a lot that we may not know. While reading this story pay attention to the little details that you may have glazed over when hearing or studying this story before.
